

MY BUDDIES

I have two friends named Barb and Jan
Let me introduce you to part of their clan.
There's Flea, Tillie and Karoo,
Cert and Roper and Tractor too.

The words don't stop by naming the dogs from above
For there's Indie, Julie and Cowboy
And especially Winnie and Pooh,
for they are also part of the crew.

So Barb and Jan, not only do I value
Your friendship with a love that is true
I consider our faithful dogs my buddies too.
